From the Principal

Dear Parents and Carers

Thank you to all parents and carers who were able to join us for A2's, out of this world, assembly item. A2's presentation featured an innovative and humorous approach to learning about the Earth's solar system. Eccentric school-teacher, Miss Frizzle (Isabelle), took her Year 5/6 class on a wondrous educational field trip with the help of a magical school bus and visited the planets. Props, jokes, and music complemented A2's performance. Well done to all A2 students who contributed - artists, script writer (Isabella), bus driver (Adrian), characters on the bus, students who shared planet facts, as well as Mrs Dewitt and Mr D'Vauz. Congratulations to all this fortnights Merit Certificate recipients and Star awardees as well.

There's plenty coming up over the new few weeks: Interschool Cross Country, school photographs, Year 4/5 Taster Day at Lakeland SHS, Year 5/6 visit to SCITECH, and our new purpose built and fully equipped, science room in B5, will be underway in a couple of weeks too. Please remember that visitors, and parents / carers on school grounds must maintain physical distancing of one person per two square metres.

100 DAYS OF SCHOOL

Last week we celebrated the 100th day of the school year (give or take a couple for COVID 19). Staff at SLPS thought up exciting and fun activities to celebrate the number 100, and students had fun participating. Activities included:

- Bucket list – What I want to do before I'm 100?
- What can I do when I'm 100 & what can't I do when I'm 100?
- 100 ways to be kind…100 questions about the earth…100 seconds of physical fitness
- What will school life be like in 100 years?
- The answer is 100, what is the question?
- Decorating cupcakes with 100's and 1000's
- Cooking '100' shaped shortbread cookies
- Dressing to celebrate 100

We've include an insert in this newsletter to showcase students creative '100' outfits.

SCHOOL NURSE UPDATE: PHYSICAL ACTIVITY FOR KIDS

Physical activity should be part of a child's daily routine. Physical activity is not only fun, but also important for healthy growth and development. Being involved in physical activity helps kids to make friends and learn physical and social skills.

Two important points to remember are:

- Children need at least 60 minutes of moderate to vigorous activity each day.
- Children should not spend more than two hours a day using electronic media for entertainment (e.g. TV, computer games, internet), especially during daylight hours.

Children need a combination of moderate and vigorous activity. 'Moderate activity' is any activity which is similar in intensity to a brisk walk e.g. bike riding or active playing. 'Vigorous activity' is any activity which makes your child "huff and puff" e.g. organised sports, ballet, running or swimming laps.

Any activity that requires your child to expend energy should be encouraged. Remember, by encouraging your child to be active when they are young, you are helping to establish a routine that will stay with them throughout their life.

For more information, go to http://raisingchildren.net.au or visit www.natureplaywa.org.au for some great active outdoor ideas.

IT'S TIME TO ENROL FOR 2021

We are now taking applications for enrolment. You need to enrol for:

- Kindergarten - four years old by 30 June 2020
- Pre-primary (first year of compulsory school) – 5 years old by 30 June 2020
- changing schools.
- All children from Pre-primary to Year 12 are guaranteed a place at their local public school.

Remember to bring Birth Certificates, proof of address and an immunisation statement. If you have friends, neighbours or relatives that have children that are eligible we would encourage you to come to school to find out about programs and have a tour of our school.

There are plenty of activities coming up over the coming weeks so keep an eye on Flexibuzz and your child's school bag for reminders. Have a wonderful fortnight and I hope to see you at our next assembly presented by B7 on the 27 August.

Kind regards
Leigh Liley

We have been informed that FlexiBuzz will cease in the coming weeks. We will continue to use it until it does. We will endeavor to have a new app up and running by the end of Term 3.

PHOTOS

Week 6 August 25 & 26

Photo envelopes will be coming home very shortly so please keep an eye out in the bottom of school bags. ***Every student has their own form which must be returned to the photographer with or without an order.***
If you would like a sibling photo please collect an envelope from the front office. The easiest way to order is to pre pay online, using your child's unique payment code, which you will find on the payment envelope. Alternatively, you can pay by cash on the day.
All classes will be photographed on Tuesday 25th except the Green Kindy in B9 & B10
